

Remarks

Claims 1-13 are currently pending. Claims 1-13 are believed to be in condition for allowance and such favorable action is respectfully requested.

Claims 1-13 have been rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention. Specifically, the Examiner stated that "the phrase "may be" renders the claim indefinite because it is unclear whether the limitation(s) following the claim are part of the claimed invention. While applicant respectfully disagrees with the Examiner, Applicant has amended claims 1, 12, and 13 to recite "is reviewable" rather than "may be reviewed."

As such, Applicant believes that, for at least the reasons stated above, claims 1, 12, and 13 are believed to be in condition for allowance and it is respectfully requested that the rejection of the claims be withdrawn. As claims 2-10 depend from independent claim 1, these claims are also believed to be in condition for allowance and such favorable action is respectfully requested.

Therefore, claims 1-13 are in condition for allowance, and such favorable action is respectfully requested. If any issues remain that would prevent issuance of this application, the Examiner is urged to contact the undersigned by telephone prior to issuing a subsequent action.

Respectfully submitted,

Scott B. Strohm
